

## Year 5 – History

Throughout this half term we have had a fantastic time learning all about the history of the railway and its significance in our local area. We were lucky enough to have a visitor from The Head of Steam Museum who showed us lots of different items from historical trains. We enjoyed adding to our already amazing knowledge and were full of questions for our guest. We even got to try on some hats worn by railway workers and practised stamping tickets with original equipment.

## Year 6

We are very proud of the determination and resilience our Year 6 children showed during their SATS tests earlier this month. After SATS, the children have thoroughly enjoyed finishing the book, *Room 13* and creating their own nightmare stories based on this novel. Alongside all of this, Year 6 had the opportunity to express their creativity in a range of activities including Dragonball (a sporting event taken from the book *Sammy Rambles* by J. Scott), creating our own owl out of clay, collaboratively working to write class poetry and drawing our own royal portraits during the coronation celebrations.
